Smoke Testing in different IT companies

	Frequency	Scheduled Time	Scenario #	Time Duration	when to add new scenarios?
1	Once a day	6 AM	50	10 m	Every month
2	Once a day	6 AM	13	15-17 m	It's rare
3	Once a day	6 AM	40	5 m	Depends, last time, 4 months ago, added 3 scenarios
4	Do not have smoke test				
5	Once a day	9:30 AM	21	3-4 m	Every 2-3 months
6	Once a day	7 AM	17	5 m	Once in a quarter
7	Once a day	7:30 AM	26	20 m	I's been already 5 month that we did not add any new scenario to our smoke test suite
8	Everyday	2-3 times a day Whenever a new code	18	25 m in 10 VMs	1 every 2-3 months
9	Every two hours on a work day on all envs. Auto	Every two hours	12	5-8 m	
10	Once a day	7 AM	48	15 m	only when required
11	Once a day	7 AM	16	10 m	
12	Once a day	8 AM	63	~17 m	Once in a year
13	Every day	Every 2 hours	119	1 hour 30 m	constantly - some scenarios can be removed if the functionality was completed and we put end to end scenario instead
14	Once a day	6 AM	13	10 m	rarely
15	Once a day	6:27 AM	77	9 m	Approximately 5-6 scenario every 2 weeks
16	Daily basis	9 am	211	1 hour 45 m	actually we run regression daily basis. and it is being updated frequently
17	4 times everyday	every 6 hours	30	35-40 m	It depends on project.
18	Daily	9:30 am	21	2-4 m	Every 2-3 months
